

ENTER THE GAMER UNIVERSE WITH OUR WHEY PROTEIN CLEAR

The **PROGAMER** concept contains **15g of protein** for better nutrition, as well as ingredients that meet essential gamer needs, such as concentration and vision.

It was developed with **Lacprodan® SP-9213**, our clear whey protein isolate that provides a refreshing taste and is stable in a variety of heat treatments.

15g of protein
more nutrition, more satiety!

Taurine, magnesium, zinc, vitamins
A, B3, B6 and B12, and caffeine

60kcal/can - No fat

No sugar

INGREDIENTS	%
Lacprodan® SP-9213	5.52
Water, tap	93.83
Premix, DSM-Firmenich	0.38
Masking, DSM-Firmenich	0.10
